

Suggested Facilities for Elementary School

- A state of the art stereo system with portable cart and cordless microphone system
- A covered slab/black top with 4 basketball goals (adjustable) and lines painted for boundaries, hop scotch, four square. This is in addition to a gym inside the building.
- Adjustable basketball goals in gym, cargo net, climbing ropes, climbing wall, large landing mats, small folding mats, gymnastic equipment (wedges, tumble aids, low balance beam, etc)
- Regulation track with proper surfacing (gravel is bad for ankles and hard to run on)
- Field space for two separate games to be played (backstops on each)
- Health First Palm Pilot (assessing students/grade book)
- In-line skates for upper grades, bicycles with helmets, "low" ropes course materials, archery, fishing equipment
- Pedometers and/or heart monitors for all students or at least for one entire grade level to use for a specific period of time
- A standing membership to TAHPERD (Texas Association for Health, Physical Education, Recreation, and Dance) and sub pay, registration, and expenses to attend the TAHPERD convention and summer conference
- A standing subscription to TEPE (Teaching Elementary Physical Education)
